INFORMATION ABOUT CLASS REGISTRATION

Childbirth education classes are encouraged to ensure a more satisfying birth experience. It is important to prepare for life-changing and memorable events such as a graduation or wedding. Having a baby is just as life-changing and memorable. It too, should be just as important to prepare for. Some of the many benefits in attending childbirth education classes include:

- Prepare for what to expect during the labor and delivery process.
- Build confidence in the body's ability to give birth and decrease anxiety.
- Support partner tips for the big day.
- Pain relief options, including: massage, relaxation, positioning, breathing and medication.
- OB Department tour.
- Get questions answered about the birthing process.

Class sizes are small, offering the opportunity to connect with others in a relaxed setting as you learn the secrets of nurturing a healthy family.

TWO-DAY WEEKEND CHILDBIRTH EDUCATION CLASS - FREE
