

**HOW TO GET TO THE PATIENT PORTAL**

There are two options on our home page you can choose from to get to the patient portal. See the areas shown to the right.

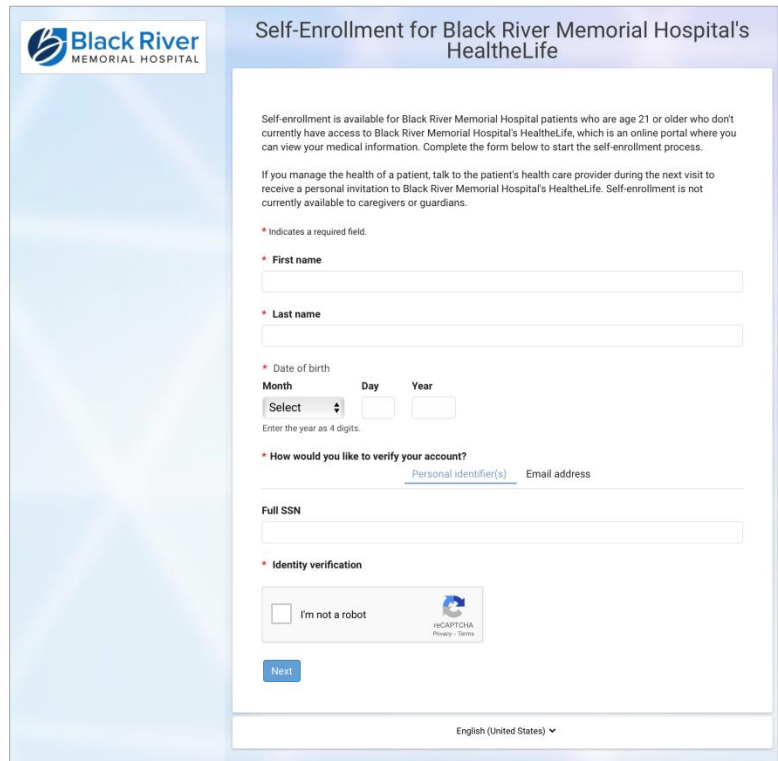

**FIRST TIME LOGGING INTO THE PATIENT PORTAL**

For your first time logging into your patient portal, click on the button labeled “SELF-ENROLLMENT” to get your account started.

After clicking the “SELF-ENROLLMENT” button, this is the page you will see. Complete the form with your information and click the “NEXT” button. Follow all prompts until your enrollment is complete.

**Self-Enrollment for Black River Memorial Hospital's HealtheLife**

Self-enrollment is available for Black River Memorial Hospital patients who are age 21 or older who don't currently have access to Black River Memorial Hospital's HealtheLife, which is an online portal where you can view your medical information. Complete the form below to start the self-enrollment process.

If you manage the health of a patient, talk to the patient's health care provider during the next visit to receive a personal invitation to Black River Memorial Hospital's HealtheLife. Self-enrollment is not currently available to caregivers or guardians.
