Job Title: Hospitalist	Employee Name:
-------------------------------	-----------------------

Job Group:	Department: Hospitalist	Pay Type: Exempt
Reports To: Chief Medical Officer	Created on: 08/02/12	Revised: 06/01/14, 07/18/17 06/07/21

POSITION SUMMARY: Hospitalist shall provide the very best high quality, cost-effective care to the patients assigned to the service through approved referral sources.

I. Essential Duties and Responsibilities

1. Provides appropriate medical services to all patients who are assigned to physician.
 - Consults with members of the medical staff regarding issues concerning the appropriate medical services to be provided to such patients.
 - Consults and cooperates with the clinical departments to facilitate patient care management.
 - Follows all existing referral patterns with respect to the referral of patients for specialist care.
 - Uses currently accepted methods and practices of medicine, adheres to applicable standards of care, medical ethics, policies and protocols.
 - Be responsible, on a case-by-case basis as the need arises, for taking all actions necessary to facilitate the appropriate transfer of a patient to or from another medical facility to gain access to skilled medical care.
2. Promotes and maintains a good working relationship with other members of the medical staff and employees.
3. Assists hospital in attaining any goals established from time to time regarding patient, employee and physician satisfaction in connection with Physician's delivery of the services.
4. Consults with quality manager to achieve better clinical outcomes for patients, improve the quality of patient care and maximize the efficient utilization of physician and hospital recourses.
5. Assists hospital with the appropriate medical assessment, treatment and timely discharge of patients admitted to hospital for observation.
6. Reports to hospital, on an as needed basis, material concerns about quality of care, delay in delivery of medical services to patients, or any patient concerns.
7. Works diligently with primary care physician/provider for a seamless transition from outpatient to hospital care with an accurate and timely discharge summary.
8. Physician Hospitalist reviews advanced practice providers' orders, notes and care provided.
9. Obtains and maintains all medical staff appointments and clinical privileges as required by the hospital. The Physicians shall abide by and comply with all codes of ethics, rules, regulations and procedures adopted or established, from time to time, by the hospital and all applicable governmental or licensing authorities.
10. Complies with the requirements and standards of Medical, JCAHO and any other accrediting agencies designated as well as all applicable laws, rules and regulations.
11. Cooperates with hospital in implementing new procedures, controls and systems to promote and facilitate quality, cost controls, reimbursement functions, standardization of products and equipment, and any other requests made by hospital.
12. Provides effective and timely communications to referring or admitting physicians, patient and family concerning the clinical status of each patient admitted through the Hospitalists Program.
13. Promotes and maintains good public relations on behalf of hospital and assists hospital in attaining goals established regarding patient/employee/physician satisfaction in connection with delivery of clinical services pursuant to the terms of this Agreement. Hospitalists will be "goodwill ambassadors" of the hospital.
14. Follows and abides by the hospitals Standards of Conduct.

Additional Duties
15. Performs other duties as assigned.
